PRAYING FOR AMERICA

Take a 30-day journey of prayer across America, by committing to pray daily as a participant using the **Prayer Map of America** as your guide.

The strategy is simple:

Each day for the month of August, we will take just a few minutes to pray for that day's requests. There are only two requests per day, so it won't take much time—but it will make a huge impact. The unified effect of believers praying can awaken our nation, renew our church, and spiritually transform our lives. If we truly want to bless America—to stand beside her and guide her—**we must pray!**

BE A 'GIVER'—SERVE THE BODY OF CHRIST

We are in need of a few more volunteers to serve refreshments, one Sunday each month—please see Bourne Burns for details

"...remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive.'"
